Alumni/ae helping students is a Princeton Seminary tradition. The workshop is designed to inform the stewards about the Seminary today and to involve them firsthand with the life of the campus. Many of these alumni/ae are returning to Princeton for the first time since graduating. They are committed to the Roll Call because they want to assist today's students. Important Parking Notices
Seminary campus—parking on the quad between midnight and 6:00 a.m. is prohibited in order to allow access for emergency and snow removal vehicles. Vehicles parked on the quad will be ticketed and/or towed at the owner's expense.

The West Windsor Township Police remind residents that it is illegal, in New Jersey, to park vehicles along the curb opposite the normal traffic direction. If you park your car on Farber Road, Loetscher Place, Emmons Drive, or Canal Pointe Boulevard, please park according to the traffic flow.

The police department has advised the Seminary that officers will issue tickets for this parking violation.

Parking on snow-covered streets is not permitted, and West Windsor Township may ticket or tow cars that inhibit snow-clearing operations. When snow is predicted, please park vehicles in the parking lot. Be prepared to move cars as needed and when requested by the Facilities Department to assist in clearing parking lots.

Thank you for your understanding and cooperation in these matters.

◆ **Two Workshops from the Chapel Office**
Self-Integration: Putting the Parts Together
Some of us operate out of "our heads" most of the time, others are led by feelings, still others are dominated by "shoulds" or compulsive behaviors. How do we recognize and balance the competing claims within? How do we professional caregivers learn to be responsive to others yet responsible for ourselves and for setting appropriate boundaries? How do we bring God's truth into the mix so that our lives and decisions are centered?

(con't)

Come learn a personal dialogue/journaling approach that facilitates self-integration and conscious living. PTS pastoral therapist Nancy Schongalla-Bowman is offering a seven-session seminar on this process Wednesdays (1:30 to 3:00 p.m.) beginning February 18. The group will meet in Stuart 13 (third floor). Brief reading and journaling assignments will be given each week.

A $50 fee per person covers the seminar and two books. Students and/or spouses are asked to register and pre-pay by Friday, February 13. Please contact the campus pastor, Michael Livingston, if finances would preclude your participation.

Building the Friendship in Your Relationship
Married, engaged, or committed couples are invited to two different seminars on relationship building on Saturday, February 21, and Saturday, March 21, from 9:30 to 11:30 a.m. The group will meet in the study lounge at the CN Center. The seminars will be led by PTS pastoral therapist Nancy Schongalla-Bowman and will include exercises developed by Dr. John Gottman, whose research and writing regarding couples is widely respected. The format will include input by the presenter, the use of handouts and inventories, group discussion, and conversation with one's partner. As each session will be different, couples who cannot attend both seminars will still benefit.

Pre-registration is requested to assist in planning. However, "fence hangers," those with a "P" on the Myers-Briggs, or couples who finally found a babysitter, are encouraged to just show up. There will be a fee of $10 per couple per session payable at the seminar.

Please contact campus pastor Michael Livingston if financial assistance is needed.

◆ From the TBA

The TBA is open Mondays from 10:00 a.m. to 5:00 p.m. and Tuesdays through Fridays from 10:00 a.m. to 4:00 p.m. Textbooks are available and may be purchased now.

Student accounts: Student accounts have been set up for your use at the TBA. Full-time students may charge up to $500 each semester on their student accounts. These charges will appear in the next monthly statement from the bursar's office. Student accounts will be activated only when you have registered for your courses and cleared any outstanding bills. The student accounts are not revolving accounts; whether they are paid up or not, the limit remains at $500 each semester. The limit for part-time students is $250.

Returns: Books purchased at the TBA may be returned within two weeks of the date of purchase. They must be in new condition (with no markings) and receipts must be presented at the time of return. Credit card purchases will receive credit on the respective credit cards, and purchases on student accounts can be credited to your student accounts. Since no cash refunds are given for returns, store credit will be issued for cash purchases.

Special orders: If you need a book that is not in stock, please place a special order for it. If it is a book that we normally carry, you will not have to place a deposit for it; otherwise, you may be requested to place a deposit.

Text special orders: If we are sold out of textbooks that you need, please place a special order right away even if they have been reordered. That is the only way to reserve a copy.

Important Parking Notices

Seminary campus—parking on the quad between midnight and 6:00 a.m. is prohibited in order to allow access for emergency and snow removal vehicles. Vehicles parked on the quad will be ticketed and/or towed at the owner's expense.

The West Windsor Township Police remind residents that it is illegal, in New Jersey, to park vehicles along the curb opposite the normal traffic direction. If you park your car on Farber Road, Loetscher Place, Emmons Drive, or Canal Pointe Boulevard, please park according to the traffic flow.

The police department has advised the Seminary that officers will issue tickets for this parking violation.

Parking on snow-covered streets is not permitted, and West Windsor Township may ticket or tow cars that inhibit snow-clearing operations. When snow is predicted, please park vehicles in the parking lot. Be prepared to move cars as needed and when requested by the Facilities Department to assist in clearing parking lots.

Thank you for your understanding and cooperation in these matters.

General ❖ Notices

◆ **Morning Prayer**
"O Lord, open my lips, and my mouth shall declare your praise." This semester, Wednesday chapel services will be services of morning prayer. These liturgies will follow ecumenical models of singing, hearing the Scripture, silence, and prayers of thanksgiving and intercession. During the season between Epiphany and Lent, our morning prayer services will draw primarily from the free traditions. Come join us.

◆ **Two Workshops from the Chapel Office**
Self-Integration: Putting the Parts Together
Some of us operate out of our "heads" most of the time, others are led by feelings, still others are dominated by "shoulds" or compulsive behaviors. How do we recognize and balance the competing claims within? How do we professional caregivers learn to be responsive to others yet responsible for ourselves and for setting appropriate boundaries? How do we bring God's truth into the mix so that our lives and decisions are centered?

Come learn a personal dialogue/journaling approach that facilitates self-integration and conscious living. PTS pastoral therapist Nancy Schongalla-Bowman is offering a seven-session seminar on this process Wednesdays (1:30 to 3:00 p.m.) beginning February 18. The group will meet in Stuart 13 (third floor). Brief reading and journaling assignments will be given each week.

A $50 fee per person covers the seminar and two books. Students and/or spouses are asked to register and pre-pay by Friday, February 13. Please contact the campus pastor, Michael Livingston, if finances would preclude your participation.

Building the Friendship in Your Relationship
Married, engaged, or committed couples are invited to two different seminars on relationship building on Saturday, February 21, and Saturday, March 21, from 9:30 to 11:30 a.m. The group will meet in the study lounge at the CN Center. The seminars will be led by PTS pastoral therapist

(con't)

Nancy Schongalla-Bowman and will include exercises developed by Dr. John Gottman, whose research and writing regarding couples is widely respected. The format will include input by the presenter, the use of handouts and inventories, group discussion, and conversation with one's partner. As each session will be different, couples who cannot attend both seminars will still benefit.

Pre-registration is requested to assist in planning. However, "fence hangers," those with a "P" on the Myers-Briggs, or couples who finally found a babysitter, are encouraged to just show up. There will be a fee of $10 per couple per session payable at the seminar.

Please contact campus pastor Michael Livingston if financial assistance is needed.

◆ Festival for Fitness Event

"Healthy Choices, Wholly Living" is the theme for the 1998 Festival for Fitness, a Seminary-wide health fair to be held on April 1. Planned activities will present a wholistic understanding of health: physical, psychological, spiritual, and communal. Volunteers are needed for many of the planned activities and programs. Can you play a musical instrument? Are you experienced in clowning with young children? Are you interested in serving as a greeter for off-campus organizations on the day of the event? If you are, contact one of the individuals mentioned at the end of this notice.

Festival for Fitness—Basketball Game
This event will be a faculty/staff vs. PTS seniors game played on Thursday, April 2, at 7:30 p.m. in Whiteley Gym. Professor Brian Blount will coordinate the faculty and staff team, and Hazel Wyatt will coordinate the senior team. Interested participants should contact the appropriate coordinator.

◆ Disability Awareness Exercise

Many of us, in our lifetime, may become disabled in some way. Many more of us, in our relationships with friends and parishioners, may face the questions of how best to support people with disabilities as a friend, colleague, or pastor. What to say? How to be helpful? What can a pastor or church do?

On Tuesday, March 31, as part of the week-long 1998 Festival for Fitness: Healthy Choices, Wholly Living, seminarians are needed to host a person with a disability on a day-long visit to PTS. These individuals are coming for the day because of their own commitment to their faith and faith community, and their interest in seeing what a day is like for Princeton Seminary students. Your mission, should you choose to accept it...meet your partner between 7:30 and 9:00 a.m. in the Main Lounge, let him or her accompany you to classes, chapel, lunch, the library, and other daily activities, and then attend a debriefing session in the afternoon.

The debriefing session will be held from 4:00 to 4:30 p.m. in the Main Lounge; everyone is invited to attend. From 4:30 to 5:30 p.m., everyone will join in a panel presentation about their own faith journeys and experiences in congregations.

During the day, two prize-winning videos—*Ten Commandments for Communicating with Persons with Disabilities* and *Look Who's Laughing* (a PBS special with six nationally known comedians with disabilities)— will be shown on campus. Resources will also be available for interested students and staff. More detailed information will be forthcoming.

If you are interested in serving as a host for this exercise or if you have any questions, please contact James Lynch by phone or email. We need to know as soon as possible how many students are interested so that we can recruit an appropriate number of visitors for the day.

◆ Computer Services Announces a Pilot Program

PTS Computer Services is pleased to announce a pilot program to determine the feasibility of lending NIC cards to students for the purpose of connecting their personal computers in their dorm rooms to PTSNet. On a first come, first served basis, we will provide the appropriate card for ten computers. The cost of the card will be reported to the Business Office, where it will be carried as an open item, without interest charges until each student graduates. At that time, the card must be returned or the original cost paid.

If you are interested in participating, please contact computer services by sending an email to "support" or calling extension 7812. You will need to provide the make and model of your computer (i.e. PC or MAC, desktop or laptop, and specific model). You will be informed if you can participate and arrangements will be made to acquire the card and provide assistance with installation if needed.

Thank you for your support as we continue to upgrade our services.

WICAM Lecture
Mackay Center Auditorium *7:30 p.m.*
Ann Belford Ulanov, the Christiane Brooks Johnson Memorial Professor of Psychiatry and Religion at Union Theological Seminary in New York, will be this year's speaker.
"We are given the gift of consciousness only to discover how relative it is. We see how constructed our meanings are, how we reify our symbols so that they blot out the reality they point to, and how caught we are in repetitions of history, whether our recurrent symptoms or wars or corruptions. Behind this subjective life, as a backdrop, exists the timeless world Christianity speaks of as *nunc stans*, the now that is eternal."

Topics on the frontier between psyche and soul, depth psychology and theology, and the masculine and feminine processes of our being will be explored and discussed.

Held in conjunction with the Women in Church and Ministry Conference, this lecture is free and open to the public.

Play Ball! But Not on the Quad or Lawns

Due to our very mild winter and much rain, the lawns are soft and quickly become muddy quagmires. The Seminary community is asked to stay off the grass, and especially not to use the quad or the Alexander Hall and Brown Hall front lawns for organized frisbee, football games, etc. Mud tracked into buildings makes extra work for the custodians.

Please use the field at the corner of Mercer and Hibben Streets for athletic games. If the lawns are torn up now, it will be very difficult to get them in shape for commencement and alumni/ae weekend in May. We ask that you work with us to practice good stewardship of our campus.

Important Notice from Security

Please observe and abide by the new No Parking signs on Wheeler Way and Canal Pointe Boulevard on the West Windsor Campus. Township police patrol that area and have authority to ticket vehicles that are parked illegally.

Parking at the front and side doors of Witherspoon Apartments is for loading and unloading only. Please advise friends and family to use the parking lot beside the building.

Play Ball! But Not on the Quad or Lawns

Due to our very mild winter and much rain, the lawns are soft and quickly become muddy quagmires. The Seminary community is asked to stay off the grass, and especially not to use the quad or the Alexander Hall and Brown Hall front lawns for organized frisbee, football games, etc. Mud tracked into buildings makes extra work for the custodians.

(con't)

Please use the field at the corner of Mercer and Hibben Streets for athletic games. If the lawns are torn up now, it will be very difficult to get them in shape for Commencement and the alumni/ae weekend in May. We ask that you work with us to practice good stewardship of our campus.

Important Notice from Facilities

Beginning on or about Thursday, March 26, the Seminary and Redding Mechanical Contractor will begin installing new chilled water lines so that Hodge Hall can be air-conditioned. The installation will require excavation in front of Hodge Hall, and of a portion of the roadway, the edge of the quad, and then past Hodge and Templeton Halls to the chiller plant in the corporation yard.

This project should be completed before Commencement in May. In the interim, however, there will be some disruption: construction noise, a few lost parking spaces, and traffic rerouting. Work is scheduled to begin at 8:00 a.m. each weekday and possibly a couple of Saturdays if necessary. Please be aware that some welding will be done; we caution people not to stare at the welding flame.

We ask for your cooperation in complying with traffic direction signs, in avoiding construction equipment, and in observing caution tapes, etc. as we undertake this important campus improvement.

Important Notice from Facilities

Beginning on or about Thursday, March 26, the Seminary and Redding Mechanical Contractor will begin installing new chilled water lines so that Hodge Hall can be air-conditioned. The installation will require excavation in front of Hodge Hall, and of a portion of the roadway, the edge of the quad, and then past Hodge and Templeton Halls to the chiller plant in the corporation yard.

This project should be completed before commencement in May. In the interim, however, there will be some disruption: construction noise, a few lost parking spaces, and traffic rerouting. Work is scheduled to begin at 8:00 a.m. each weekday and possibly a couple of Saturdays if necessary. Please be aware that some welding will be done; we caution people not to stare at the welding flame.

We ask for your cooperation in complying with traffic direction signs, in avoiding construction equipment, and in observing caution tapes, etc., as we undertake this important campus improvement.

Your own commitment to such events as the Book Sale, Theologiggle, The Stuff Auction, and the Hunger Run truly makes a world of difference. Again, many thanks!

Surplus Computer Equipment Give-Away

PTS has surplus computer equipment, including 286 and 386 CPU's, some monitors, and some printers. All of the equipment has been in use on campus but is in working order. All of the hard drives have been wiped clean, and no software will be included, with the exception of some older versions of DOS, which would have to be installed by the recipient. This equipment is offered on a first come, first served basis at no cost. All equipment is on an "as is" basis, and no assistance will be available for either hardware or software installation. The equipment must be taken with you.

In order to allow the most people to benefit from this offer, each person may have one 386 CPU, one monitor, and one printer as long as the supply lasts. You may have as many 286 CPUs as you would like. As an FYI, some 486 CPUs may be available at a later date, but this is not guaranteed. A cost will probably be involved for the 486s.

Please be aware that Win95 cannot be run on these machines, and Win 3.11 may not be able to be run either, depending on the machine's memory.

The give-away will take place on Wednesday, April 29, at 9:00 a.m. in the lower level of Luce Library in the area of Project Room 1.

The Security base station operator is also the boiler watch operator and may be engaged in a technical operation in the boiler room. If so, it may take more than six to eight rings for a response. Be patient; Security will answer your call.

Over the next few weeks, the Grounds staff will fertilize and apply weed and pest control treatment application to the lawns of the main campus, the Tennent campus, and the CRW grounds. Small yellow flags will be placed on all treated areas.

Please keep children and pets safely away from machinery. Residents should stay off the lawns for a few days following the fertilizing to give the treatment a chance to work.

The first application is fertilizer and a pre-emergent weed treatment; dandelions and other weeds will be treated in May. Notices will be placed in mailboxes before the May treatment.

Surplus Computer Equipment Give-Away

PTS has surplus computer equipment, including 286 and 386 CPUs, some monitors, and some printers. All of the equipment has been in use on campus but is in working order. All of the hard drives have been wiped clean, and no software will be included, with the exception of some older versions of DOS, which would have to be installed by the recipient. This equipment is offered on a first come, first served basis at no cost. All equipment is on an "as is" basis, and no assistance will be available for either hardware or software installation. The equipment must be taken with you.

In order to allow the most people to benefit from this offer, each person may have one 386 CPU, one monitor, and one printer as long as the supply lasts. You may have as many 286 CPUs as you would like. As an FYI, some 486 CPUs may be available at a later date, but this is not guaranteed. A cost will probably be involved for the 486s.

Please be aware that WIN95 cannot be run on these machines, and Win 3.11 may not be able to be run either, depending on the machine's memory.
The give-away will take place on Wednesday, April 29, at 9:00 a.m. in the lower level of Luce Library near Project Room 1.

Westminster Conservatory To Present Children's Opera
The Playhouse *3:00 and 5:00 p.m.*
Westminster Choir College/Rider University
The Westminster Conservatory of Music will present *Stone Soup*, a new opera for children.

This opera is based on a classic folk tale of a once-prosperous and friendly village where hard times have led the hungry residents to become selfish and uncaring. When a poor visitor is met with rejection, he resorts to a ruse—making his own meal out of a stone. The villagers are so entranced by this that they soon begin to contribute what scraps they have, making a fine meal which all can share. The musical score features beautiful Slavic folk melodies arranged with English lyrics by Michael Jacobsen.

The opera is designed to appeal to children of preschool age or older and is 45 minutes long. Following *Stone Soup*'s theme of sharing, everyone attending this performance is asked to bring a can of food or a dollar for the Mercer Street Friends Food Cooperative. Admission is $5 for adults and $3 for students and senior citizens.

Photographer Billy Howard will be on campus on Monday, April 27, and Tuesday, April 28, shooting both candid and staged photographs for the Seminary's new viewbook.

He has requested that we let you know several things:

- He may ask people to pose for shots
- Bright colors look better in color prints than white, so please wear bright colors on those days!
- Since this is for the Seminary's viewbook, he asks that you not wear shirts with names of other institutions.
